

Building Systems UK

A Tata Steel enterprise

Fully independent 3rd Party LPCB and FM approvals across our range of guaranteed roof and wall panels

LPCB and FM Approvals are internationally recognised fully independent 3rd party fire and mechanical resistance testing and certification schemes. They include full scale testing programmes to ensure compliance and performance.

Construction products and materials that come from a traceable, reputable and consistent supply chains offer much greater certainty in terms of their performance. Come and talk to us to learn more about our 3rd party approvals and the multi decade guarantees we offer across our range, including our portfolio of low CO₂ product offerings.
